***Reasons for Allowance***

1. This action is in response to the amendment filed on 05/13/2005.
2. New claims 40-43 are added by the Applicant.
3. Claims 5-43 are allowed.
4. The following is an examiner's statement of reasons for allowance:

The cited prior art taken alone or in combination fail to teach, in combination with the other claimed limitations, *"a method of generating target instructions from a plurality of first instructions... comprising: analyzing the plurality of first instructions en masse... to produce information representing a flow of information to be handled efficiently by the target processor to achieve results on the target processor equivalent to the results intended to be achieved by the first instructions; generating the target instructions... based on the information representing the information flow in preference over...of first instructions"* as recited in the independent claims 5, 24, 32, 39 and 40-43.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

***Conclusion***

5. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.
